KANSAS STATE BANK
Overbrook / Scranton

E-MAIL STATEMENT REQUEST

You don't have to wait to receive your monthly statements in the mail. Sign up now for e-mail statements. It's fast, safe and secure.

Some of the advantages of receiving your statements by e-mail include:
1. Statements arrive earlier than if sent by traditional mail.
2. Statements can be stored on your computer for future access.
3. You can receive images of your checks.
4. If you need a copy of a check you can easily print it from your computer.
5. You can print your statement yourself if you ever need it.

To enroll for e-mail statements, please fill out the information below and return it to either our Overbrook or Scranton location.

Name of Depositor(s): _____

Electronic Check Image and Account Statement Delivery Agreement

I/we, the Depositor(s) authorize The Kansas State Bank (Bank), to deliver periodic account statements and check images to our e-mail address listed below. The account information will be encrypted with Secured Socket Layer Encryption and must be opened by a Personal Identification Number (PIN#) of my choosing, also listed below. Upon transmission of the e-mail directed to the Depositor's e-mail address; the Depositor will have sole responsibility for maintaining security of the e-mail including the e-mail provider, users of your personal computer or computer network. Depositor further agrees to indemnify and hold the Bank harmless from and against any and all loss, cost, damage, liability, or exposure (including reasonable attorney's fees) we or you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such e-mail or electronic delivery of statement. The Depositor shall bear the entire risk for unauthorized use thereof whether or not the Depositor is negligent. Depositor recognizes the Bank has adopted automated Electronic Delivery of account information so we can provide convenient service at the lowest possible cost to our customers. PIN #'s must be 7 alphanumeric digits in length. The PIN # must contain at least 1 letter and at least 1 number.
